DETAILED ACTION

Receipt Acknowledgement

1. Receipt is acknowledged of the request filed on 4th of June 2007 for a request for continued examination (RCE) under 37 CFR 1.114 based on the application No. 10/727,147, which the request is acceptable and an RCE has been established. Currently, claims 15-38 are pending in this application.

Allowable Subject Matter

2. Applicant's amendments filed on 6/4/07 have been fully considered and are persuasive.

3. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest said microprocessor identifying and processing an interrupt corresponding to the highest priority interrupt request based upon the bit string and the interrupt command without having to read said interrupt pending register and without having to perform another operation to identify the peripheral that generated the interrupt request in combination with other limitations as recited in independent claims and further in view of the specification and applicant's arguments.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2111
